FMKC New Officers

Ken Rabedeau was our club president for many years and he made this club fun and we were not restricted to tight/hard rules, as some clubs are. It was a joy to belong to the club and we were one happy family. After the untimely death of Ken, the club needed to fill his shoes. To this end, a short informal club meeting (*which he would be in favor of*) was held. The meeting was conducted by the current club officers. Nominations for club president was taken from the floor. The first and only nomination was for Bill Cyphert which he accepted the nomination. The nomination was seconded and a voice vote was unanimous, making Bill Cyphert our new club president. This action created a vacancy for club vice president. Nominations from the floor for vice president was requested. The only nomination was for Leon (Casey) Philibert, he accepted and a unanimous voice vote proclaimed him as our new vice president. These actions that were taken at this meeting held on November 1st, 2016 made our club whole again....
