Silly Knife Jokes/Puns

A jewel thief entered a house mid-afternoon. He tied up the woman and at knife-point asked the man to hand over the jewelry and money. The man started sobbing and said, "You can take anything you want. You can even pistol whip me, but please untie the rope and free her."

Thief: "You must really love your wife!"

Man: "No, but she will be home shortly".

"Do you really have to lick the knife?" she growled angrily. "Sorry, force of habit." I chuckled. "Lots of people do it though, don't they?"

"Yes, but not during surgery, doctor."

How do you break up a fight between 2 blind men?

Yell out: 'My money is on the one with a knife...'
