Top 25 Pocket Knives that are Indispensable:

#1 Spyderco Paramilitary 2

In June, KnifeCenter.com took a survey to learn which pocket knives that their readers believe should never be discontinued. Respondents were asked to name as many or as few pocket knife models as they wanted, and no brands or blades were off-limits. 404 respondents named a total 94 out of 404 respondents said the Spyderco Paramilitary 2 should never be discontinued.

How would you rate their responses? What is your favorite knife?
